The Pennsylvania Rehabilitation Association (PRA) is committed to the advancement of rehabilitation to promote full inclusion of people with disabilities into the mainstream of our society. PRA is pleased to offer our community the opportunity to learn about issues in disability and rehabilitation, and to become empowered to enhance the lives of people with disabilities.

Join us on April 16-17th for professional development sessions that are sure to be reflective and rejuvenating.

Projected CEUs: Pre-conference 1.5, Main. Conference 7.5 (Ethics option - 1 CEU)
